Wakefield Regional Council Citizen of the Year

Bart Butson

L-R; Jeff Sutton (nominator), Bart Butson, John Halbert, Mayor Rodney Reid.

Bart Butson received the Wakefield Regional Council Citizen of the Year award for his contribution to the community as chairperson of Marine Park 14 Action Group efforts. Bart led the Action Group in the fight for the community to change the Government Sanctuary fishing zone within Marine Park 14. Disappointingly the 'no take' zone still came into effect in October 2014.

Congratulations to both Nancy and Bart, champions of our community!

Will You Care For Me?

Are you interested in local history?

Sadly our Courthouse Museum has fallen into a state of neglect.

The Port Wakefield Community Management Committee (PWCMC) is seeking someone or a group interested in volunteering some time to generally clean, arrange displays and record items in the Museum.

Although you would need to work in cooperation with PWCMC who are responsible for the upkeep and maintenance of the building, the committee is looking for **someone with creative ideas for displaying the available information and who is able to work with minimal supervision.**

It would be great to have our Museum up and running again and open to the public on a regular basis.

If you are able to assist please contact PWCMC Secretary, Bob Van Der Sman 88671102 or any committee member.

Telstra Country Wide has upgraded our exchange and have added a further 80 ports so anyone wanting to get broadband can now get it. Thanking Mr. John Tonkin (area manager) from Countrywide for facilitating this project and community members for their expressed interest in additional ports in the Port Wakefield area as this allowed John to use this as justification to expand the number of ports at our exchange.

New Roof for Newsletter Office

At the last meeting of Wakefield Regional Council members voted to transfer Wakefield Regional Council Grant funding, allocated to Port Wakefield Community Management Committee for the painting of the interior of the SM Hall, to replace the roof at the Newsletter Office (Former Council Chambers).

Due to issues and legal action pending re the plasterwork at the SM Hall painting cannot be undertaken at this time and so the Grant funding will not be lost to Port Wakefield

Port Wakefield Community Carols

On Sunday 21st of December we had Carols at the S.M Hall, many attended and braved the heat to enjoy singing Christmas Carols together, being treated to some delightful items, a message from Mr David Woodroffe and some even lucky enough to win a lucky door prize and then a yummy supper! Included this year was the announcements of the Colouring In Competition and also a couple of games- of 'how many Jelly Beans in a Jar' and 'how long is this piece of string game'. Congratulations to those winners, it certainly got people guessing and wondering! Once again the Giving Tree proved to be a massive Blessing to those who will receive the tooth brushes and socks that were donated. A big **THANKYOU** must go to Lisa Studham for judging the colouring in competition(which proved to be harder than she thought!) and also to the Chemist, Newsagent/ General Store and the Post Office here at Port Wakefield for your generous donations towards the competition. Congratulations to all who entered and made the competition a success, the prize winners were:

0-5 years section-1st-Lucy Mudge, 2nd-Chelsey Wenzel, 3rd-William Mudge.

6-9 years section- 1st-Jayden Mudge, 2nd-Megan Payne

10-13 years section- 1st-Caileigh Mudge, 2nd-Chloe Hean.

Lastly a massive **THANKYOU** to the COMMUNITY for attending this event and making it all worthwhile. To the Team of people who help me to make the event a success with setting up, preparing supper and cleaning up, and To the **AWESOME** Band for your wonderful Talents and sharing that with us.

THANKYOU AGAIN EVERYONE.

Medical Fitness to Drive Certificates

South Australia has removed the compulsory annual assessment for car licence holders aged 70 and older and who **DO NOT** have a medical condition that could affect their ability to drive.

This means that you **WILL** be asked to visit a doctor and submit a Certificate of Fitness form if you **do HAVE** a medical condition recorded against your driver's licence or you are 70 years and older and hold a class of licence other than for a car.

You will **no longer** need to visit a doctor each year to assess your fitness to drive if you are aged 70 years and older, you only hold a car (C class) driver's licence and you **DO NOT** have a medical condition recorded against your licence.

A self assessment will be introduced MID 2015 to allow older drivers to assess their own fitness to drive. From the age of 75, if you only have a car licence and you DO NOT have a medical condition, you will receive a self assessment form in the mail to complete.
