Merry Christmas and Happy New Year

The Port Wakefield Community Newsletter Committee wish to send Seasons Greetings to all who have made 2014 such a successful year.

Thank you to those who advertise in the newsletter. Your contribution is invaluable. Thank you to all who contribute items and photographs to the newsletter. It creates more interest for our readers.

Thank you to our typists, although Ann completes the majority of the work. Thank you to our printing volunteers. Your contribution is greatly appreciated.

Thank you to all the volunteers who deliver newsletters to resident's letterboxes. Thank you to Rob and Lisa Studham for providing a space for additional newsletters to be distributed and for items to be deposited.

Thank you for those who assist in Community Computing sessions. Thank you to the Community Library volunteers.

Thank you to all those who donated towards our building project. And Thank you to all our readers near and far and for the positive feedback about the newsletter and the efforts of the committee.

Please Note:

The Thought for Today

As this is our last newsletter for 2014, instead of my usual short thought I will leave you with 11 life lessons a daughter learned from her beloved Dad. Till our next publication I wish you all a very happy, peaceful and safe Christmas and New Year holiday period. Laugh. Be yourself. Be flamboyant. Don't worry about other peoples' opinions. Get angry (say your piece but then let it go). Always give it a good go. Be generous and kind because you can't take it with you. Appreciate beauty, take pictures and make memories. Don't take yourself too seriously. Never ever, ever, ever give up. And finally love with all your heart.

Helpful Holiday Diet Tips

1. If no one sees you eat it, it has no calories
2. If you drink a diet soda with a candy bar, they cancel each other out
3. If you eat standing up, it doesn't count!
4. STRESSED is just DESSERTS spelled backwards
5. If you eat the food off someone else's plate, it doesn't count
6. Cookie pieces contain no calories because the process of breakage cause calorie leakage
7. Food used for medicinal purposes have no calories. This includes: any chocolate used for energy, brandy, cheesecake, and Haagen-Daz Ice Cream
8. When eating with someone else, calories don't count if you both eat the same amount
9. Movie-related foods are much lower in calories simply because they are a part of the entertainment experience and not part of one's personal fuel. This includes: Milk Duds, popcorn with butter, Junior Mints, Snickers, and Gummi Bears.

No Nativity Scene in Canberra this Year
 The Supreme Court has ruled that there cannot be a Nativity Scene in the nation's Capital this Christmas season.

This isn't for any religious reason. They simply have not been able to find Three Wise Men in Canberra .. The search for a Virgin continues..... There was no problem, however, finding enough donkeys to fill the stable.
