Birds on the Wire

Fairy Martins gathered on the wire at the wharf last week. Hundreds sat on the wire but many more sat on the ground below. I wonder why?

Thought of the Day

"If you want to test your memory, try to recall what you were worrying about one year ago.

- E. Joseph Cossman

Will You Care For Me?

Are you interested in local history?

Sadly our Courthouse Museum has fallen into a state of neglect.

The Port Wakefield Community Management Committee (PWCMC) is seeking someone or a group interested in volunteering some time to generally clean, arrange displays and record items in the Museum.

Although you would need to work in cooperation with PWCMC who are responsible for the upkeep and maintenance of the building, the committee is looking for someone with creative ideas for displaying the available information and who is able to work with minimal supervision.

It would be great to have our Museum up and running again and open to the public on a regular basis.

If you are able to assist please contact PWCMC Secretary, Bob Van Der Sman 88671102 or any committee member.

Raffle Results

The winners of the Catholic Church raffle drawn in December 2014 were:

- 1st** Glenda Pain
- 2nd** Leanne Guerin
- 3rd** John Hogan

A total of \$290 was raised and has been donated to the St Vincent de Pauls Adelaide Bushfire Appeal.

Helpful hints

*Another table centre can be made with a candle held in place in an apple and trimmed with lace or ribbon.

*If you puree fresh fruit to serve as a sauce add a little lemon juice to prevent discolouring.

*Parsnips will keep extra fresh if wrapped in newspaper before keeping in the crisper of your fridge.

Telstra ADSL

Telstra Country Wide has upgraded our
exchange and have added a further 80
ports so anyone wanting to get broadband
can now get it. Thanking Mr. John Tonkin
(area manager) from Countrywide for
facilitating this project and community
members for their expressed interest in
additional ports in the Port Wakefield area
as this allowed John to use this as
justification to expand the number of ports
at our exchange.

Regards Iain Payne

The Blonde Pilot...

A blond took a scenic flight in a two-seater aeroplane with just the pilot. He has a heart attack and dies. She is frantic, calls out a May Day....May Day! May Day! Help me! My pilot has had a heart attack and is dead. And I don't know how to fly. Help me! Please help me!"

She hears a voice over the radio saying: "This is Air Traffic Control and I have you loud and clear. I will talk you through this and get you back on the ground. I've had a lot of experience with this kind of problem. Now, just take a deep breath. Everything will be fine! Now give me your height and position."

She says, "I'm 5' 4" and I'm in the front seat."

(Pause)

"O.K." says the voice on the radio..."Repeat after me: Our Father...Who art in Heaven..."
