Port Wakefield Stobie Poles take on a New Look

Elizabeth Anderson and supervisor Wendy Garvie have undertaken the project of painting the stobie poles in Edward Street Port Wakefield.

Approval was provided by SA Power Network and Wakefield Regional Council and funding has been provided by Port Wakefield Community Management Committee.

Elizabeth and Wendy take advantage of the better weather to work on the stobie poles.

Grant success in quest for The Copper Trail

Wakefield Regional Council is blazing a new trail through the heart of the district, a 55km journey that will link-up two of regional SA's best trails – Walk the Yorke and The Riesling Trail.

The Copper Trail has been given the go-ahead after receiving \$41,900 from the Office for Recreation, Sport and Racing, with Council contributing another \$14,000 to complete the final stage of the project. Once the Copper Trail is constructed between Balaklava and Port Wakefield it will provide the missing link to Walk the Yorke (entry from Port Wakefield) and Riesling Trail (entry to Leasingham via Balaklava) creating an optional multi-day adventure for walkers and cyclists.

The Copper Trail is named so because it follows in part the course taken by bullock teams delivering copper from the Burra mine through to the wharf at Port Wakefield. Wakefield Mayor Rodney Reid said the trail had the potential to bring economic benefits because linking to these already established trails could draw more tourists through our towns to explore places of interest. He expects the project to be completed in April 2020.

(Hopefully the trail involves finally building a bridge over the Wakefield River. This photo was taken at low tide - at high tide she would be underwater!)

Did you know?

A bear has 42 teeth.

Shakespeare was the first person to refer to a coward as a "chicken"

Little Athletics Season Off to a Leaping Start

Sixteen youngsters attended the first session for the 2019/2020 season.

It was a calm and reasonably warm afternoon and the Port Wakefield oval looks in good condition.

Convener, Joanne Goller was pleased to see the good attendance and encourages others to come and 'have a go'.

It is great when new children roll up and even greater when they bring along their parents who are willing to supervise a group through an activity, help set up and pack up or assist with the after BBQ.

Little Athletics; Monday afternoon 4.45 – 6pm and caters for 3-17year olds.

Spectators are encouraged to come along and watch these budding athletes.

Courtney shows her style in the long jump watched by Amelia and supervisor Naomi.

The 'littlies' enjoy the parachute fun with supervisor Joanne.

Hanna shows her style with discus

Wendy and Elizabeth with a freshly-painted stobie pole on Edward St

Put on a costume and head down our way on

Sunday 27th October 2019.

Hope to see you all there.

GREAT OUTBACK BBQ THANK YOU

Thank you to everyone who supported the Great Outback BBQ held at Port Wakefield on Sunday, 6th October.

It was a great success with over 90 people from Port Wakefield, Balaklava, Lochiel and even Uganda attending.

Mrs. Janet Woodward, Fellowships Secretary of the Uniting Church in South Australia was a brilliant guest speaker at the morning Church Service. She spoke about Frontier Services (formerly Australian Inland Mission) and the invaluable work of the Bush Chaplains and work parties who travel to remote areas to make a positive difference in the lives of others.

After the service the congregation adjourned to the Pool area to meet up with others who had attended their own services earlier.

The result was a wonderful day of friendship, fellowship and fun which raised \$1,682.70 of much needed funds for Frontier Services.

Jeff Ingram, Balaklava; Lloyd Mudge, Ben Mudge and Torin Thatcher, all Port Wakefield at the barbecues.

Lining up for lunch.

Lochiel says "hello" with Council's new entry sign

Arrivals to Lochiel's 150th were given a warm welcome over the weekend (12-13 October), with new statement signs lighting up both entrances of town.

Thank You

Thank you to the Port Wakefield Bowling Club for all their help with Trevor's service on September 29th.

Thank you Steve for the reading and a big thank you to the ladies for the wonderful morning tea.

Trevor would have been very proud to see his name with Paddy on the green.

Thank you to all who were able to attend.

Regards

Beth

Thought for the day

If you think you are too small to make a difference, try sleeping with a mosquito around.

Snapper Fishing Closure

Snapper is an iconic fish in South Australia and a primary target species for the commercial, recreational and charter boat fishing sectors.

However, South Australia faces a challenge in relation to the sustainability of Snapper in this state. In June 2019, SARDI provided updated information on Snapper spawning biomass estimates from the Daily Egg Production Method (DEPM), which identified that over the past five years, biomass in Spencer Gulf has reduced by an estimated 23% and biomass in Gulf St Vincent has reduced by an estimated 87%.

This information was integrated into a recently finalised 2019 Snapper stock assessment which identified:

- An extended period of poor recruitment of juveniles entering the Snapper stock, especially in Spencer Gulf
- A reduction in commercial catch rates
- Concerning declines in biomass.

The report also confirmed the classification of Snapper stock in:

- Spencer Gulf/West Coast as 'depleted' (overfished)
- Gulf St Vincent stocks were classified as 'depleting' – first time the Gulf St Vincent stock has received this assessment.

Urgent action must be taken to protect the future of Snapper stocks in South Australia.

Fishing Closure

Closing time: From 12.01am 1 November 2019 to 11.59pm 31 January 2023

Closure location: West Coast, Spencer Gulf and Gulf St Vincent waters.

Snapper fishing closures are in place to help stocks recover. During the closure the targeting, take and possession of Snapper is prohibited in all waters.
