## Tucker Time to Go!

In preparation for the Highway Development Tucker Time is to be demolished. Asbestos is being removed today (Tuesday) and the heavy machinery will come in on Thursday.

The building was built in the 1950's by Winsome and Bill Gunter and has been occupied by various owners over the years.

## **Port Wakefield Community Christmas Carols**

*A massive Thankyou to all who attended the Community Carols on the 22<sup>nd</sup> December 2019. A great night was had by all with lots of carol singing accompanied by the talented Band, guest performance by Sarah Lee with a group of songs played on the Bells, followed by fellowship over a wonderful supper. We encourage the Community to come along to this wonderful free event and celebrate the Christmas season together.*

## **Birds of the Port Wakefield Area**

from a book of the same name by Paul Taylor and Wikipedia

**Skylark** *Alauda arvensis*

An introduced lark from Europe. Skylarks have increased their range and numbers and are now common in farm paddocks, open areas and low coastal vegetation.

They do not appear to have adversely affected the populations of native bushlarks and pipits.

### **Description**

The Eurasian skylark is 16 to 18 centimetres long. It is a bird of open farmland and heath, known throughout its range for the song of the male, which is delivered in hovering flight from heights of 50 to 100 m, when the singing bird may appear as just a dot in the sky from the ground. The song generally lasts two to three minutes, but it tends to last longer later in the mating season, when songs can last for 20 minutes or more.

The male has broader wings than the female.

## Help shape Wakefield 2030: what's next?

A new round of community engagement will begin in February as Wakefield Regional Council's strategic plan for the coming 10 years continues to take shape. Farmers, businesses and the community more broadly will be able to have a say on the vision and direction for the region, with a number of forums and an online survey planned for the coming weeks.

Wakefield Mayor Rodney Reid said around 100 people attended the initial round of five community forums in 2019 and the feedback had been impressive. "There are definitely key themes emerging around the kind of environment, communities, amenities and streetscapes our residents want to see," Mayor Reid said. "This next round takes a closer look at our farmers, traders and industries – all the while, still working to realise the community-wide vision we've been aiming for."

Coming up in 2020...

### Farmer's Forums

To seek ideas from our farming community about what they'd like to see as Council's focus in the coming years. Session will also include a guest speaker and an information session on the region's road network. Farmers are invited to attend one of the forums to share their views

Owen Town Hall 27 February 2020 12-4pm  
OR Blyth Town Hall 3 March 2020 12-4pm

### Traders Forum

For smaller businesses to share their thoughts for Wakefield 2030.

Phil Barry Chamber, Balaklava 12 March 2020 6-8pm

### Community Forums

These forums will invite the Wakefield community to discuss and test key themes emerging from the feedback so far. Participants will be able to move between the focus areas to have a say on the areas that matter the most to them. Pick a date and have your say!

Ralli Park, Balaklava 17 March 2020 6-8pm  
OR Blyth Town Hall 31 March 2020 6-8pm

To find out more and to RSVP online, visit Council's website [www.wrc.sa.gov.au](http://www.wrc.sa.gov.au), or alternatively, you can email at [admin@wrc.sa.gov.au](mailto:admin@wrc.sa.gov.au) or phone the Council Office on 8862 0800.

### Wakefield Plains Medical Clinic

We wish to advise that effective immediately Dr Gul will no longer be consulting in Port Wakefield. This will mean that from now on there will only be a doctor in Port Wakefield once a week ..... Dr Nyoni on a Tuesday.

Unfortunately Dr Gul is usually not busy, and therefore he feels that his time would be better used in Balaklava. If Dr Nyoni becomes busier as a result of this change, we can consider extending his session again, should that become necessary. We will see how things go.

So we would appreciate it if you could put a notice in your newsletter regarding this. We will post a notice at the doctors rooms and also at the Pharmacy advising of the change.

Many thanks,  
Helen

### Port Wakefield Op Shop

I am sorry to write this notice, but we have constantly asked that you DO NOT leave items outside the Op Shop when NO ONE is in attendance. Last week, and the week before in that heavy rain, bags were left outside and had split open and were all wet. On unpacking, we were astounded to find torn clothing, used tissues and cigarette butts.

While we are very grateful for all donations of goods, we would like it to be clean. If you would not wear it yourself, please put it in your weekly red rubbish bin as I do not expect volunteers to have to sort through this sort of rubbish. PLEASE, use your common sense, we are NOT a dumping ground.

Op Shop is open each Saturday, 9:30 – 11:30 am and will be open THIS Thursday 2 to 4 p.m. It is also Food Barn afternoon (2.30 to 4 p.m.).

We have 3 children's bikes for sale in reasonable condition. Come have a look and if interested offer a price. Dianne and Gay will be in attendance and we will open at other times if requested and volunteers available.

Thank you all for your help.  
Diana (Op Shop Co-ordinator and Treasurer)

Three dogs are being taken for a walk by their owners. From the picture and clues can you match the position of each dog (A,B,C) with its name, the name of its owner and the house number where each owner lives (18,20,22)?

- The owner of the dog pictured at A lives in a house with a higher number than the house where the owner of Lucky lives but a lower number than the house where the owner named Helen lives.
- Rover has run away from his owner who lives at number 22.
- The owner named Susan is pictured wearing sunglasses.
- One of the dogs is called Fido and one of the owners is named Kate.

**On behalf of the Avon /Inkerman community** I would like to thank the Pt Wakefield Community Management Community for the opportunity to help with Pt Wakefield Australia Day Event this year. Congratulations to the Citizen of the Year 2019 Diane Summers for her commitment to the community over many years and Young Achiever for 2019 Elizabeth Anderson for her work on painting the stobie poles around the town. A special certificate as Local Hero was awarded to Dylan Cicolella.

I would also like to acknowledge the help given by the locals, Christine Diotti for the interesting table arrangements, Kieran Phelan for managing the sound, John Kipling, Joanne Goller, as presenters along with Michael Rankine who also helped out with the more formal aspects of the day. Danielle Mudge as MC and putting the power point presentation together, and of course many thanks to the background volunteers who pulled together to quietly get the job done. Numbers were slightly down at 77 attendees, with 2 being from the USA.

I would also like to acknowledge Brett and Tara from the Pt Wakefield CMC for making themselves available when we needed, in our efforts to make the day enjoyable for all.

Many thanks to all volunteers and attendees, without you nothing would happen.

Regards  
Jill Stewart (Avon)
