New Footbridge Across Wakefield River

Wakefield Regional Council has completed the construction of the footbridge across the Wakefield River using the original railway pylon supports. Grant funding enabled the building of this project which enabled the joining of 'Walk the York' and 'Copper Trails'.

The erection of this bridge also enables residents living north of the town access into the town via foot and townsfolk access to the cemetery by foot or gopher.

Thought for the day

Friends come in all shapes and sizes, need no alterations and never go out of style.

CoVid19 Stay Safe

Here's hoping everyone has been safe and well during this difficult time.

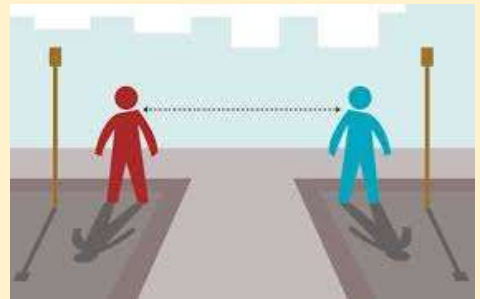

Thank goodness for country living and our house blocks and farms that allow us to spend time safely outdoors.

Remember to continue with Social Distancing and hand sanitizing so we all continue to stay safe.

The Port Wakefield Community Newsletter will continue to publish fortnightly so send in your news, information, photos etc. to make our newsletter as informative as possible. News items, photos, information for community notification, sports results etc. are free to publish. Advertising costs remain the same (listed in the newsletter)

Community Computing will not be continuing but the **Community Library** will be open Tuesdays, Wednesday mornings when the newsletter is being printed and Sundays 12 noon – 1.30pm. Social Distancing and Hand Sanitizing will be practiced.

Pasta carbonara

Ingredients

- 380g fettuccine or pasta of choice
- 120g bacon roughly chopped
- 1 small brown onion, finely chopped
- 500ml Campbell's Real Stock Salt-Reduced chicken
- 2 eggs
- 1 egg yolk
- 1 cup finely grated cheese
- Fresh parsley, roughly chopped

Method

1. Cook pasta in a large pan of boiling water according to packet directions or until al dente. Drain well and return to the pan.
2. Meanwhile, heat a medium non-stick pan. Cook the bacon and onion, stirring often for 3-4 minutes or until lightly golden and a little crisp. Remove from pan.
3. Add the stock to the pan and heat until almost boiling. Remove from the heat.
4. Whisk the eggs, yolk and some freshly cracked black pepper in a large heatproof bowl. Gradually whisk in the warm stock until combined. Do this slowly so the eggs don't scramble.
5. Add the bacon and half the cheese to the hot pasta. Pour over the egg mixture and toss to combine. Leave for 2-3 minutes to soak up the egg mixture and thicken slightly.
6. Serve pasta topped remaining cheese and extra pepper. Scatter with fresh chopped parsley if you like.

Birds of the Port Wakefield Area

from a book of the same name by Paul Taylor and Wikipedia

Jacky Winter *Microeca fascinans*

Fairly common in mallee scrubs and agricultural land. A confident bird that can be approached closely, even when nesting. The Jacky Winter was formerly and formally called the Brown Flycatcher. It is easily recognised by its prominent white outer tail feathers. The Jacky Winter is a small grey-brown robin found commonly throughout [Australia](#) and also in [Papua New Guinea](#). The Jacky Winter acquired its name due to rapid and strong vocalisations which sound like *jacky-jacky winter-winter*. Their call is also often referred to as sounding like *peter-peter-peter*.

Did you know?

The phrases “start from scratch” and “not up to scratch” come from 19th-century bareknuckle boxing rules. If a fighter was knocked down, they had to return to a mark in the middle of the ring called the “scratch” to prove they could continue the fight.
