SA ROADMAP FOR EASING COVID-19 RESTRICTIONS

FIND OUT MORE AT SA.GOV.AU

Keeping South Australia safe and strong is my government's focus during these uncertain times.

We know the world is facing unprecedented health and economic challenges, and we are determined to get South Australia through this pandemic with strength and resolve.

This week the Australian Bureau of Statistics reported that more South Australians are back in jobs – over the last month [an extra 13,400 jobs were created](#), and over the last three months more than 33,000 South Australians found work.

I'm also proud that we are leading the nation in apprenticeship growth, continuing to invest in infrastructure to create jobs, and supporting hard-hit sectors like tourism.

We are delivering:

- A nation-leading increase in [the number people who have started paid apprenticeships](#) and traineeships;
- A \$12.9 billion pipeline of infrastructure - including [a brand-new Birth to Year 12 school at Aldinga](#) - which is thousands of jobs when we need them most;
- A new multi-million dollar [Tourism Industry Development Fund](#) focused on reviving regional tourism businesses who have been hit hard during COVID-19.

There's more work to be done, but we can be proud of what we continue to achieve together during these challenging times.

STEVEN MARSHALL
Premier of South Australia

P.S. Border restrictions with ACT have now been lifted, meaning travellers arriving from ACT by air no longer have to quarantine for 14 days.

A Motorcyclist's Tale

I once bought a Triumph, it was a 1928
Well, the bloke who sold it to me said "It's about that date"
She was a little beauty in spite of all the dust
There were a few bits missing and a little bit of rust.
There was nothing in the gearbox and it didn't have a mag
But the bloke who sold it to me, gave me more bits in a bag.
After years of toil and tears, she fired up like a bird
It was the most rewarding sound these ears have ever heard.
We've now done many happy miles, that old Trumpy and me
We've proven that it's all worthwhile. If you've done, it you'll agree.
It's not the fastest thing on wheels and it's handling, shall we say,
Is probably, well, not too bad (in a vintage sort of way).
But now there's something missing, the evenings are a bore.
I think I'll get another one and go through it all once more!

-Brian O'Leary

Handy Household Hints Eggs

Immerse the egg into a pan of cool salted water, if it sinks to the bottom, its fresh. If it rises to the surface it is a stale egg and should not be used.
If an egg is smooth and shiny then it is stale. The egg to look for is the fresh egg which is rough and chalky.
Both white and brown eggs are of the same quality.

Between 1932 and 1939, Oskar Speck paddled a kayak over 40,000km on a journey from Germany to Australia. However, he arrived in Australia the same month World War Two began, so was arrested on the beach and interned as an enemy alien.

GREAT OUTBACK BBQ BYO PICNIC

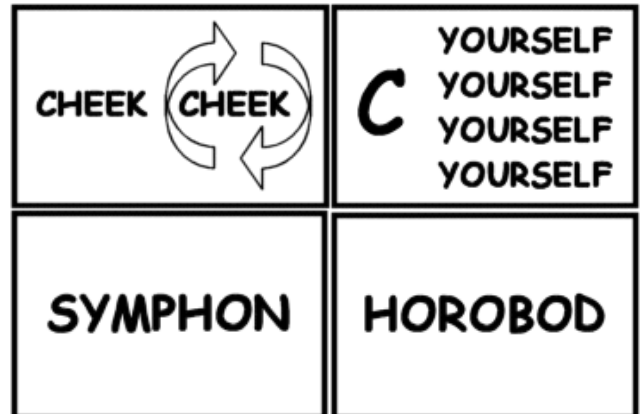

Port Wakefield Uniting Church will focus on Frontier Services at the 10.30am Church Service on Sunday, 4th October. Guest preacher will be Janet Woodward, SA Synod Fellowships Secretary. We extend a warm welcome to the Port Wakefield community to join us for the service at the Church and then enjoy our Great Outback Barbecue substitute, a Great Outback BYO Picnic for this year (due to COVID-19 restrictions) at the oval at 12.30pm.

All around Australia in September & October each year, events like this are held to help raise money to support our Bush Chaplains who in turn are out there supporting our Aussie farmers and townspeople who are doing it tough. So, come along and enjoy some good Aussie mateship. Tea, coffee, soft drinks and some cakes/biscuits will be on sale and there will be a donation tin there as well if you would like to support this most worthy cause. Seating will be provided.

For further information, please ring Lloyd Mudge 0427 400 545 or Dianne Correll 0428 273 213.

“SPRING” at last! How jolly welcome it is and such a wonderful time of the year...The new season bursting with life and hope...Time to plant your favourite annuals and even try new varieties...The ground is warming, helping the spring plantings to flourish.... Carrots, Radish, Sweet Corn, Lettuce, Spinach, Peas, Tomatoes and Capsicum to mention a few vegetables...In the flower beds annuals will complement the other plants there, Pansy, Petunia, Gerbera and Salvia. Choose whatever you like happily and enjoy.

Cheers,
Wendy Garvie.

Community Bus driver volunteers are needed now

Felicity Riches is one of our everyday heroes here in Wakefield who drives the Community Bus and loves it, but we need more people like Felicity to keep the bus wheels turning. For six years now, Felicity has been transporting residents on local trips and occasionally to Munno Para Shopping City and Elizabeth Shopping City. She says she enjoys the regular passengers' company and likes the fact she's making a positive contribution into her community.

“I like that I'm committed to something and that I have this to wake up for and feel good about doing. It also gives me a sense of belonging,” Ms Riches said. “We go and get morning tea together after the shopping is done most of the time, so the bus is a nice little community within itself. I really enjoy the ladies' company – we have good fun.” A couple of long-serving volunteer bus drivers have hung up their hats and now Council is looking for more enthusiastic people of all ages to fill the ranks and keep this valuable service going.

Wakefield Mayor Rodney Reid said going another 12 months without any new recruits would make the Community Bus more difficult to coordinate and would create some uncertainty around its future in the long term.

“We're very flexible on what days you'd prefer to come in, whether it be monthly, fortnightly or weekly, and this goes for what driving trips you're more comfortable with too,” Mayor Reid said. “To drive our 12-seater bus all you need is a car licence and to pass a few required clearances. So, if you are a confident driver and looking to give back to the community through volunteering then this may be the role for you! “Volunteering is not just beneficial to you as the volunteer but is also invaluable to the people you are helping and the role you are playing in creating a connected community.”

If you would like to volunteer as a Community Bus Driver or wish to know more about the volunteering process, please contact Community Liaison Officer Larissa McPharlin at Wakefield Regional Council on 8862 0800 or email admin@wrc.sa.gov.au
