## **In the Garden 5**

The beauty of the gardens we have, aside from feeling good ourselves, is when people pass they look and admire. They may even knock on your door and ask the name of a plant or for a slip to grow themselves, and there is the beginning of

a new friendship, as easy and nice as that...Seed saving and even sharing seeds is quite rewarding, plus saving money... Most important these days... Saving seeds is relatively easy, some plants have pods which are easily picked, others with fine seeds can be gathered in a paper bag tied to the stem of the plant and when properly dry snip off the head and the seeds are saved.

Cheers,  
Wendy Garvie

## COVID Quips

I still can't believe people's survival instincts told them to grab toilet paper.	<b>I'm going to stay up on New Year's Eve this year. Not to see the New Year in, but to make sure this one leaves.</b>	If I had only known in March it would be my last time in a restaurant, I would have ordered dessert.
At the store there was a Big X by the register for me to stand on... I've seen too many Road Runner cartoons to fall for that one.	Having some states lock down and some states not lock down is like having a peeing section in a swimming pool.	<b>Until further notice, the days of the week are now called, thisday, thatday, otherday, someday, yesterday, today &amp; nextday.</b>
<b>THEY SAID A MASK AND GLOVES WERE ENOUGH TO GO TO THE GROCERY STORE</b> <b>THEY LIED, EVERYBODY ELSE HAD CLOTHES ON</b>	<b>The dumbest thing I've ever purchased was a 2020 planner.</b>	When Does Season TWO of 2020 Start? I Do Not Like Season ONE.
Keep in mind, even during a pandemic, no matter how much chocolate you eat, your earrings will still fit.	The buttons on my jeans have started social distancing from each other.	<b>I never thought the comment "I wouldn't touch him/her with a 6 foot pole" would become a national policy, but here we are</b>
