Port Wakefield Market

We have had two meetings now and have decided to hold the markets on either the 4th Sunday of each month or possibly the 5th Sunday (there are 4 in the year). The CMC is very supportive and the Wakefield Council has given us a lot of help. Most people we have talked to in Port Wakefield think a market would be a good idea. We have visited several other local markets and we think that there would be no problem in getting stallholders from around S.A.

BUT we need more people to help in the organisation and more local stallholders. If you want to see the Port Wakefield market go ahead please come to the next meeting on **Thursday 8th April at 2.00pm at the Rising Sun.** If this time does not suit you give Dot a call on 0420481648.

BreastScreen SA Mobile Screening Unit

Caring for women from ocean to outback

Call 13 20 50

The BreastScreen SA Mobile Screening Unit is visiting
Clare, from late March to late May 2021

We're inviting all women aged 50 to 74 years to come along and see us for their two-yearly screening mammogram (breast X-ray).

- It's **FREE**
- It's quick – it only takes 15 minutes.
- You can make a booking with a friend, family member or group.
- It's the best way of detecting breast cancer early (before symptoms start to show), giving you a greater chance of successful treatment.

Call us on **13 20 50** to make your appointment or to find out more.

You'll find us:
In the car park behind the Clare hospital
accessed from Webb Street

It's no mystery: real deal Loch-eel rises on Lake Bumbunga

An icon of Lochiel's Lake Bumbunga, the Loch-eel Monster, has resurfaced with a new look and has already become a social media star. Loch-Eel, named by the Lochiel Progress Association (LPA), is one of the major elements of Wakefield Regional Council's \$450,000 Lake Bumbunga Tourism Infrastructure project, supported by the Federal Government's Building Better Regions Fund and LPA.

The fibreglass sculpture – built by Port Broughton mechanic, Wayne Dennis – took 12 months to build around a stainless steel rod, with wire mesh and only one day to install.

“There were many hands lakeside yesterday,” Wakefield Mayor Rodney Reid said. “It was quite a scene as Council staff were joined by Lochiel community members, Joel Wilson Plumbing, and Cunningham's Engineering to ensure the monster was safely installed.”

Other elements of the tourism infrastructure project include a viewing platform, being completed this week, new public toilets, new playground and picnic area, free public Wi-Fi, designated car park with improved visibility in the town and new town entrance signs. Information signage will be the final element of the project, set for completion in June 2021.

“Lake Bumbunga has become increasingly popular for tourists over the past few years and we've seen a lot of interest from film makers, photographers and others wanting to use the lake for filming and fashion photo shoots. “

“Developing Lake Bumbunga has been a long-held desire for the LPA and it's wonderful that Council can work so closely with this community to make the lake and the tiny town sing.”

The eel is mounted in the lake on footings built around old tractor and header tyres donated by Mid North Tyres, reinforced with stainless steel and filled with rubble, making them extremely heavy. The footings were designed by Mace Engineering and built by Balaklava's Cunningham's Engineering.

In The Garden 2021 No 5

Planting in April... Vegetables; Zucchini, Snow Peas, Green Beans, Tomato, Egg plant... Flowers; Sweet Peas, Stock, Iris, Peonies, Sunflowers, Ranunculus, Freesia, Lisianthus.

There is still time to plant as the ground is still warm if you would like to try Silver Beet, Spinach, Garlic Cloves, Broccoli, Leeks.

Pretty Garden Borders... Seeds sown directly into the ground or pot always look great and are rewarding, Lobelia, Alyssum, Virginian Stock to mention a few. They grow well and will reseed themselves happily... Be careful when using fertilizers. A little at a time more often is better than a heavy dose that may burn the roots. Happy Planting!

Cheers
Wendy Garvie

Hummocks Watchman Eagles Football Club

NEWS FROM THE EAGLES NEST

After taking last year off due to Covid, the 2021 season is fast approaching with the first game kicking off on Saturday April 17th, against Two Wells at Port Wakefield.

The A & B grades have had a couple of trial games during pre-season, one against CMS Crows over at Curramulka on Yorke Peninsula, and the other at Port Wakefield against Jamestown/Peterborough.

Junior training is underway and we always welcome new families to join the nest! So if you know any youngsters looking for a game of footy, please contact Dillon Catford, junior co-ordinator on 0429 542 253. This year we are trialing junior training at Balaklava High School oval, in an attempt to attract more players (which have unfortunately been in decline over the past 10 years). This isn't something new. Our club held junior training in Balaklava during mid 80's to mid 90's, which resulted in good, healthy numbers and successful seasons. During the school holidays, junior training will be at Port Wakefield.

On Wednesday, April 14th, junior players can have a FREE schnitzel & chips after training at Port Wakefield, and tea will be available for parents and community members. The bar will be open, so drop down to the oval, have a meal and a drink while watching the senior squad's last training before the season kicks off! EFTPOS facilities are available.

This year's HWEFC committee has been elected and comprises:

President: Anthony Williams

Senior Vice President: Nathan Young

Junior Vice President: Dustin Guthberg

Secretary: Shannon Petch

Clearance Officer: Dustin Guthberg

Game Day recorder/Assistant Treasurer: Bethany Wilson

Social Treasurer: Sharon Moulds

Management Treasurer: Julie Bigg

Sponsorship co-ordinator: Purdie Barr

Social Club co-ordinator: Jake Taylor

Junior Panel rep/Junior Co-ordinator: Dillon Catford

Merchandise Co-ordinator: Julie Bigg

Committee Members: Richard Taylor, Tim Moulds, Brandon Taylor, Ashleigh Williams, Jared Wilson, Trudy Redpath.

Keep an eye out in the newsletter for weekly results and what's happening around the club. We're looking forward to keeping you informed & up to date throughout season 2021!

From the Port Wakefield CMC Inc

G'day fellow readers, and we hope you are all staying well.

ANZAC Day 2021

Sunday 25th April 2021.

Please assemble at the Memorial Arch at 5:45am for a 6am start, bring your chair if you wish to sit as there will be limited seating.

Burra Street and Thomas Crescent will be closed for the duration of the service.

Brekky will be served up by the Sports Ground committee after the service.

There will be a sign-in station, one in Burra Street and Thomas Crescent, for the service.

Clementina Corner Craft

Jaine Collins-Dodd has taken the wheel on behalf of the CMC to re-open the store.

Before this can occur, the store requires two things; product and a smiling face to greet visitors.

If you're into hand-made items and wish to try your hand in selling what you make, send us an email to portwakefieldcmc@hotmail.com with what you're offering.

If you're not crafty but have some spare time to assist in opening we would also love to hear from you, currently were looking at Fridays and Sundays for 2-3 hours. If this does not suit you, however you would like to assist regularly, we are open to the discussion.

Regards

New Wakefield Council Plans to Reduce Roads Backlog and Change the Rating System- Have your Say

Wakefield Regional Council has released a draft of its Transport Infrastructure Asset Management Plan (IAMP) for community consultation.

The proposal for \$76 million investment in local roads over the next decade includes:

- \$29.6 million maintenance on roads (including \$2.7 million for roadside vegetation management to assist farmers)
- \$45.1 million in capital renewal to restore, rehabilitate and renew existing roads, kerbs, footpaths and ramps
- \$1.7 million for new roads in Townsvale Estate

A separate proposal involves changing the rating system to encourage business investment.

Check them out and have your say at <https://www.wrc.sa.gov.au/our-community/latest-news/latest-updates/get-ready-to-have-your-say!>

Port Wakefield CFS News

Port Wakefield CFS training is on hiatus for Easter and the April school holidays. We'll be back at the station in May, and as always, we'd love to meet some new volunteers!

Remember, fire season continues until April 30th.

Have a safe and happy Easter!

We need a new volunteer to deliver a round of 26 newsletters every second Wednesday.
