In the Garden 2021 no.11

Cold it is. How welcome is the rain! It is magic, just what is needed. Everything has had a good wash and smells so clean, and now the soil is softer those pesky weeds can be removed more easily. The farmers and gardens are happy and the whole world looks good. So, pop on an extra jumper and out we go. The weeds have appeared overnight, it seems, and we need to remove them before they become a bigger problem.

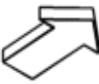

Keep an eye out for the snails, slugs and other pests that can demolish a garden overnight. Collect them by hand or leave something out they can hide in, like boxes, tubes, plastic, or cardboard. Discard as you please.

Now it's June, it's time to prune! To prune choose the bud facing outwards and snip closely above it at a 45 degree angle. This prevents fungus or pests being able to stay on the stem and infect the plant.

Cheers
Wendy Garvie.

NEWS FROM HUMMOCKS WATCHMAN EAGLES FOOTBALL & NETBALL CLUB

It was a stellar day over at the netball last Saturday against Two Wells, with the Eaglettes getting 'oh-so-close' to yet another clean sweep! It was just the little U/10 fledglings who narrowly missed out but there were some pretty impressive winning margins across the rest of the grades.

The A4 game came to an abrupt end in the third quarter when the match was officially abandoned. A Two Wells player went down with a suspected broken ankle and, with team officials hesitant to move her, an ambulance was called. Hummocks automatically collected the points following the game abandonment – a rather rare occurrence in country football & netball!

Unfortunately, it wasn't a great day for the footballers with the A grade getting within closest reach of the Roosters - going down by 26 points. But it was great to see a couple of new little Eagle recruits lining up in the Mini and Mini Mini colts! Cooper and Lenny Jones were welcomed additions to the sides, with Cooper getting best player in the u11s! If they're anything like dad Ben (who played all his junior footy with Hummocks Watchman and is a four-time premiership player - '99 senior colts, 2000/01 B grade & '03 A grade), they'll be a couple of skilful little half forwards!

There was no local football & netball over the long weekend with Association games being played instead. We had a good representation at the football's Nutrien Cup with Ethan Kwaterski, Nathan Byrnes and Henry Wright selected in the APFL A grade side along with Nate Ottens in the U17 team, Matt Hayes (U17 emergency), Brogan Page (U17 emergency) and Tate Purdue (U17 runner).

A contingent of Hummocks netballers also took part in the Country Netball Championships, representing Adelaide Plains - Phoebe Anderson (U13), Lily Tiller (U15), Mel Myers, Nicola Tiller and Judiza Enorme (U17) and Ash Williams, Haylee Studham, Olivia Carslake and Ebony Charles (Seniors).

This Saturday we switch to our northern home ground at Lochiel, where we'll play our home games for the remainder of the season. We take on the Mallala Magpies - hope to see you there!

On the Lighter Side...

If you can't think of a word say "I forgot the English word for it." That way people will think you're bilingual instead of an idiot.

It's probably my age that tricks people into thinking I'm an adult.

Marriage Counsellor: Your wife says you never buy her flowers. Is that true? Him: To be honest, I never knew she sold flowers.

I'm at that age where my mind still thinks I'm 29, my humour suggests I'm 12, while my body mostly keeps asking if I'm sure I'm not dead yet.

I watch people about my age mountain climbing; I feel good just getting my leg through my underwear without losing my balance!
