Winter has a variety of plants to grow, and these may interest you to plant: Virginian Stock, Wall Flower, Pansy, Stock, Livingstone Daisy, Linaria, Calendula (English Marigold), Antirrhinum (Snapdragon), Nasturtium, Scabiosa (Pin-Cushion), Gypsophila all make a nice showing when the winter sets in.

NEWS FROM HUMMOCKS WATCHMAN EAGLES FOOTBALL & NETBALL CLUB

It was a great day for our final home game at Port Wakefield against Virginia last Saturday with all, but one, football teams winning, another clean sweep in the netball, reunion day and a hugely successful goods and services auction! The A's, B's and junior colts all had superb games and collected the points. Unfortunately the senior colts didn't quite get over the line this time, but hopefully next week boys!

Our netballers are simply unstoppable this year, with every scorecard going in our favour yet again on Saturday. It's absolutely incredible the success the Eaglettes are having this year. A1, A2 and A3 remain undefeated. And just a little fun fact...we've played 55 netball games for the season so far (across all grades) and only lost six of those. What an incredible stat for a country netball club!!

It was great to see some old faces around the club again for reunion day, acknowledging a range of past premierships, with even a 1961 premiership player in attendance. Many of the 2001 & 2011 premiership players were welcomed back at the Nest with premiership coach Harry Taylor giving a run-down of that exhilarating 2001 grand final.

Fast-paced bidding and a range of sought-after items provided for a great night of auction fun. Over 50 items went under the hammer, raising almost \$17,500 in total. Some of the top end items included BBQ & Keg day at the Rising Sun for 10 people (\$1,500), Dustin Martin signed Richmond guernsey (\$1,200), 2 hr Murray River cruise for 20 people (\$700), extra large John Deere esky (\$500) and 60kg of chicken meat (\$450). A huge thank you to Jake Taylor and the social committee who organised the auction, those who generously donated items and those who threw their hands up and purchased something. It was one of the most successful goods & services auctions we've had in recent years!

THE POWER OF HUMANITY

After needing 13 liters of blood for a surgery at the age of 13, a man named James Harrison pledged to donate blood once he turned 18. It was discovered that his blood contained a rare antigen which cured Rhesus disease. He has donated blood a record 1,000 times and saved 2,000,000 lives.

On the Lighter Side...

My goal for 2021 was to lose 10 Kilos. Only have 14 to go.

Ate salad for dinner. Mostly croutons and tomatoes. Really just one big round crouton covered with tomato sauce, and cheese. FINE, it was a pizza....OK, I ate a pizza! ARE YOU HAPPY NOW ?

A recent study has found women who carry a little extra weight live longer than men who mention it.

Senility has been a smooth transition for me. I may not be that funny or athletic or good looking or smart or talented..... I've forgotten where I was going with this.

A thief broke into my house last night. He started searching for money so I got up and searched with him.
