Lockdown Restrictions for South Australia

From 6:00pm on July 20, the only reasons to leave home will be to care for someone, for essential work, to purchase essential goods such as food and medicine, for exercise with people from your household, and for healthcare — which includes COVID testing and vaccination.

Schools will be closed from July 21, elective surgery is on hold, and all construction work will be postponed. People need to stay in the house they had chosen to go to by 6:00pm on July 20. At this stage, lockdown is expected to last for seven days, but check www.sahealth.sa.gov.au for the latest details.

In the Garden 2021 Vol 13

We gardeners dream of having a beautiful garden to admire and be admired. Happily, we can—step by step, a little planning, and away we go!

First, check in what direction your garden is facing, as it will have a bearing on what plants grow best there. Plants have likes and dislikes. Give them too much of one thing or another and they will wilt, shrivel, and if they survive, do poorly. That sounds scary, but really it isn't. A gardener tries many things over time—some are successful, and others are not.

When planning a garden, if you have an existing one or not, use a garden hose and place it where you want the boundaries to be. Visualise what that space could be, then go ahead, do and enjoy!

Cheers,
Wendy Garvie

Computer Room @ Port Wakefield Newsletter Offices

Research into available Grants for the purchase of computers for public use in the Institute building (currently Newsletter Office & Library – 15 Burra Street) is currently taking place. Some suggestions to support this possibility so far are as follows:

- Learning to use them (taught by volunteers)
- Internet searches
- Research for study or a new interest
- Emailing friends and family
- Video calling friends and family
- Video watching to help learn a new hobby
- Banking
- Gaming

We would love to hear more suggestions. Either drop by and visit us on a Tuesday morning, send an email with your ideas to p.w.news@hotmail.com, or leave a note in the Newsletter box at the Post Office detailing your idea or personal preference for when the computers are available.

THE EAGLES NEST

NEWS FROM HUMMOCKS WATCHMAN EAGLES FOOTBALL & NETBALL CLUB

NO FOOTBALL OR NETBALL TRAINING THIS WEEK (ALL GRADES, SENIORS & JUNIORS) DUE TO COVID RESTRICTIONS. PLEASE KEEP AN EYE ON HWE'S SOCIAL MEDIA/TEAM APP FOR AN ANNOUNCEMENT RE: PLAYING THIS SATURDAY.

It was a much-improved result in our second meeting with Angle Vale last Saturday, this time on our home turf at Lochiel. And with no netball, it was a great chance for the Eaglettes to leave the netty dresses & runners at home, and get glammed up for Ladies Day!

While Angle Vale collected all the points the first time we played them, it was a turn-around result in both senior sides with A grade winning by 26 points and B grade by 25 points. (Perhaps the vocal cheer squad under the blue tent helped them over the line...maybe it should be Ladies Day every Saturday!)

Last time the B grade lost by 79 points, but the boys came out firing, determined to win for club legend Dylan Ciccollela in his 300th game yesterday. After running out through a guard of honour, Ciccycy got off to a brilliant start, snaring the opening goal within the first minute! He took a number of marks up forward during the first half and then moved to the backlines when the game got tight in the last quarter, highlighting the versatility he's shown throughout his career. He ended up with two goals for the game and was instrumental in setting up several more.

Josh "Chops" Taylor bagged three last-quarter goals to back up his goal kicking effort last round, including a ripper torp from a 45m set shot. (There must be some wise old heads in the Eagles forward lines because Chops was our youngest goal kicker for the day at 36 years old!) Unfortunately, Mitchell Catford had a quick trip to hospital after one of his teeth pierced through his bottom gum requiring 3 stitches. Hope you're on the mend & back out on the track soon Mitch!

Cameron Petch was our little mini colts mascot this week, running out with the A grade side and helping them warm up before the game. Brandon Taylor was top goal kicker for the day with four while Henry Wright put two through the white posts to bring his season tally to 23 and our current leading A grade goalkicker.

Our netballers had the week off, so enjoyed an afternoon of food, drinks, games and socializing, brilliantly organized by Jess Angel, Pip Wright and Meg Geddes. The girls did a fantastic job - we hear the espresso martinis were a big hit (thanks Jacqui Gant and Jenny Young!), as were the gourmet food boxes by Bek from The Rising Sun and the awesome HWE pink drink cups by TADS. A big thank you Jess, Pip and Meg!

And a big thanks also to all the volunteers in our club - whether it's event organisers, coaches, goal/boundary/netball umpires, oval curators or water boys, timers/scorers, canteen & bar staff, committee members or another role. Each and every person who donates their time to our club - in any capacity - is hugely appreciated and valued. Thank you you all make HWE the great club it is!

Eastern Curlew

Numenius madagascariensis

Fairly Common. Appears to be decreasing in numbers.

A large shorebird most similar in appearance to the long-billed curlew, but slightly larger. It is mostly brown in colour, differentiated from other curlews by its plain, unpatterned brown underwing. It is not only the largest curlew but probably the world's largest sandpiper, at 60–66 cm in length and 110 cm across the wings.

The body is reportedly 565–1,150g, which may be equalled by the Eurasian curlew. The extremely long bill, at 12.8–20.1 cm in length, rivals the bill size of the closely related long-billed curlew as the longest bill for a sandpiper. In Australia, its status under the EPBC Act is Critically Endangered.

TRY THIS...

How smart is your right foot?

- 1- While sitting in a chair, lift your right foot off the floor and make clockwise circles.
- 2- Now, while doing this, draw the number '6' in the air with your right hand. Your foot will change direction!

And there is absolutely nothing you can do about it...

Port Wakefield CFS Brigade will hold its Annual General Meeting at the station on Monday August 23—NOT August 30 as reported in the last newsletter. Apologies for the misunderstanding.

Port Wakefield's CFS Cadets Program Is Back!

Port Wakefield CFS is excited to announce the relaunch of their Cadets program for the next school term. To be led by Sarah Rapko, the Monday night sessions will be a great way for 11-18 year olds to learn new skills, have some fun and get involved in their community.

Want to learn more? Drop by the station on July 26th for an Open Night and sausage sizzle from 5pm and find out what CFS Cadets is all about.

(If SA is still in lockdown on Monday, Open Night will be rescheduled soon.)

Yesterday's News

Port Wakefield

(Yorke's Peninsula Advertiser July 21, 1885)

Bishop Kennion, of Adelaide, held a confirmation service in St Alban's Church on Thursday evening, when nine candidates presented themselves. The church was crowded. One or two gentlemen(?) (save the mark) disturbed the Bishop and those seated near them by carrying on a whispering conversation, till called to order by His Lordship, after which his impressive address was listened to with rapt attention.

— Mr. Haden is missed very much in the church, as organist, and leader of the choir. His well-trained singers were conspicuous by their absence from the choir to the detriment of the singing. Some people have an idea that noise is the only thing necessary in choir singing.

— Business is very dull, as it is everywhere, though there are evidences of life in the Port in the building trade. A new Wesleyan Chappel is fast approaching completion. A saddler's shop and machinist's establishment improve the appearance of Edward Street.

— The institute is well patronized, the library proving a great boon to many in this not very lively part of the world.

— Some of the leading spirits have roused themselves and succeeded in rousing others from their usually lethargic state sufficiently to get up a weekly dance, which promotes sociability and affords an opportunity for the young folks of both sexes to enjoy themselves in each other's company. I wish the promoters of it every success.

— Mr. Caseaden, who succeeded Mr Haden when he left for Kingston, has won golden opinions from all classes for kindness and attention in sickness.

— Our annual show is to be held early in September. The committee are working hard to ensure its success.

— We have had some very severe frosts which relaid the growth of the grass and wheat, more rain is wanted for the farmers. (<https://trove.nla.gov.au/newspaper/article/216322451>)
