Port Wakefield's CFS Cadets Program Is Returning Soon!

Port Wakefield CFS is excited to announce the relaunch of their Cadets program for the next school term. To be led by Sarah Rapko, the Monday night sessions will be a great way for 11-18 year olds to learn new skills, have some fun and get involved in their community.

Want to learn more? Drop by the station on July 26th for an Open Night and sausage sizzle from 5pm and find out what CFS Cadets is all about.

Thought for the day

Whoever retains the natural curiosity of childhood is never bored or dull.

In the Garden 2021 no 12

Winter is a time to relax and let the garden rest. If you feel like a little potter around, you can plant Pansy, Dianthus, Callendula, Primula, Viola, Canterbury Bells, Cornflowers and Poppies, to name a few. Vegetables include Broad Beans, Cress, Spinach, Rhubarb Crowns, Garlic, Silverbeet, Peas, Onions and Beetroot.

Be it large or small, your garden can be a joy to whoever sees it, and of course, for yourself to potter in and admire and love. For an easy-care garden, choose plants that grow happily in a pot or the ground, such as free-flowering Daisies, Geraniums and Pelargoniums. They provide greenery and flower most of the year. Trim them back every so often, though not too hard, to keep them bushy and stop them becoming "leggy." Enjoy!

Cheers

Liberty 24/7 Grand Opening

The Grand Opening of Liberty Service Station & 24/7 Café on Saturday July 3 2021 was a great success. There was a sausage sizzle, mini hamburgers, doughnuts, face painting & balloon making.

We were given a cap, mini cool bag and 24/7 Café menu as mementos. It was a happy day meeting up with friends, and the friendly staff were terrific. The premises are very clean, well thought out and a credit to all. --Wendy Garvie

THE EAGLES NEST

NEWS FROM HUMMOCKS WATCHMAN EAGLES FOOTBALL & NETBALL CLUB

The weather might've been near-freezing, but this didn't deter us from coming out firing against the Bombers at Hamley Bridge last Saturday and achieving an almost-perfect strike rate! Every football team came away with a win and the netballers were oh-so-close – unfortunately dropping one game with the U17 netballers unable to hang on to their half time lead and going down by a measly two goals.

There were a few new players who pulled on Eagles guernseys including Riley Stubing and Tyson Todd. Riley played a ripper game, bagging four goals and top goal kicker status in the senior colts, while Tyson was not only a valuable contributor in the minis, but also offered to do the boundary umpiring for the junior colts. What a great club man! Playing two games a day has been nothing new for many of our junior footballers over the years, but last Saturday was possibly a first with back-to-back players in every grade! Herbie Stoddart, Max Nicholls and Harley Catford played minis and junior colts; the Martin brothers (Jake and Dylan) lined up in both the junior & senior colts; Matt Hayes, Nate Ottens and Brogan Page ran out with the B grade after their senior colts games and Mitch Catford played both A and B grade!

Well done to the junior colts who, after Saturday's win, will remain in the top four. And congratulations to Shaun Light who played his 150th senior game in the A grade.

Over at the netball, it was great to see Hummocks stalwart Mel Moulds hit the court again, filling in for the A3s! Abbi Higgs and Ashleigh Koch have both notched up their three games qualifying quota and will become handy names in the netball line ups for the rest of the season.

And just a reminder, there will be no football or netball next Saturday due to the Country Championships, and therefore no netball training (all grades) and no football training (all grades) this week.

Computer Room @ Port Wakefield Newsletter Offices

Research into available Grants for the purchase of computers for public use in the Institute building (currently Newsletter Office & Library – 15 Burra Street) is currently taking place. Some suggestions to support this possibility so far are as follows:

- Learning to use them (taught by volunteers)
- Internet searches
- Research for study or a new interest
- Emailing friends and family
- Video calling friends and family
- Video watching to help learn a new hobby
- Banking
- Gaming

We would love to hear more suggestions. Either drop by and visit us on a Tuesday morning, send an email with your ideas to p.w.news@hotmail.com, or leave a note in the Newsletter box at the Post Office detailing your idea or personal preference for when the computers are available.

Your contributions to the newsletter

The Port Wakefield Community Newsletter is your newsletter. If you have something to sell, something to say, or maybe some (good, cleanish!) jokes etc, email them to p.w.news@hotmail.com, or drop us a note in the little newsletter box at the post office.

We would also like to introduce a recipe corner, so please send us any family favourites you're willing to share!

Kayak? Canoe? Paddleboard?

Testing the waters! A couple of us fairly new to Port Wakefield have come with kayaks. As beginners we have been out in the Gulf a couple of times and up to and through Pelican Point. In the warmer months we took fishing rods too, netting a nice selection of whiting and salmon so far.

Company on these trips has been great fun, helped build confidence and adds a safety element in numbers.

In anticipation of warmer weather after the next couple of months, we would love to invite you to join us. Perhaps you have a vessel in the shed or know someone who can lend you theirs.

Any interest or questions, please call Josie on mb. 0466 107 176 or Blair on mb. 0409 329 644.
