Noticed this around town?

Port Wakefield CFS recently inspected every fire hydrant in town and reported all faults to SA Water.

That coat of bright yellow paint means your local hydrant has just been fixed in time for summer.

Thought for the day

*Good, better, best,
May you never rest,
Until your good is better,
And your better best.

In the Garden 2021 No 20

Spring is in full swing, and how very lovely it is to smell the perfumes in the air and see the flowers blooming, and the veggies producing lots of whatever they are. Spring is simply a marvellous time of the year.

We do have a few jobs to keep everything in top shape. Make sure you give your plants a feed, check how the mulch is doing and add a little where needed, and water well. Remove spent flowers, as this will encourage more blooms for you to enjoy.

These flowers are ready to plant now: Asters, Calendula, Chrysanthemum, Cosmos. Clematis, Pansy, Lavender, Petunia and Iris to mention a few. Spring vegetables include Kale, Leek, Carrot, Broccoli, and Cabbage.

I heard this recently and liked it. "May the garland of friendship be ever green."

Cheers,
Wendy Garvie

To the person or persons who stole six of my solar lights out of my garden, three of them were my flame lights my son gave to me for my 84th birthday.

I hope you enjoy them, knowing that they were stolen from an old lady.

I would like them back (Please), but I suppose you took them because you wanted your garden to look better than mine.

My son Paul said if you sold them, he hopes you got \$100 for them. That's what he paid.

PORT WAKEFIELD UNITING CHURCH GREAT OUTBACK BYO PICNIC

For the past 3 years, Port Wakefield Uniting Church has held a Great Outback BBQ to raise awareness of and funds for Frontier Services. This year's event was held on Sunday, 26th September. Janet Woodward, Fellowships Secretary of the Uniting Church in South Australia led the morning Church Service and spoke again after lunch at the Port Wakefield Sports complex. She spoke about the invaluable work of the Bush Chaplains and work parties who travel to remote areas to make a positive difference in the lives of others and included a PowerPoint presentation of Frontier Services personnel at work. The result was a wonderful day of learning about the work of Frontier Services and fellowship with others over a BBQ lunch and into the afternoon. \$3,573.70 was raised from donations (including \$1,000 each from the Parish and the Port Wakefield Op Shop), a COVID safe trading table and the sale of Christmas cards and other Frontier Services merchandise. Thank you to everyone who helped to make this day such a great success!

VANUATU SINGERS AT PORT WAKEFIELD

Port Wakefield Uniting Church held its World Day of Prayer Service on Sunday 24th October. Our theme this year was Vanuatu-Build on a strong foundation. A lot of effort goes into preparing this service by the World Day of Prayer organization and we thank them for their work. During this Service we had the absolute privilege to have a guest appearance from "The Commissioner's Singers", 3 Vanuatu men who sang a range of songs for us. The raw talent that these men have is something you have to hear to believe how much God given talent they bestow. The Service comprised of a slide show and talk on Vanuatu history and their way of life. There is so much to learn from this beautiful country. Thanks go to Graham and Dianne Correll for organizing this service and to Allan Parker for his efforts in escorting the guest artists to us. If you're thinking to yourself, I wish I had heard them, fear not! We are so blessed to have the opportunity for them to come and perform at the Port Wakefield Community Christmas Event during the Carols at 7pm on Sunday, 12th December. So please, come along, not just to enjoy and take in the wonderful harmonies and mighty strong voices these men have, but for some Christmas fellowship, some tea and just an all-round terrific time!

Please Pick Up After Your Dogs

I have been annoyed recently by the number of dogs roaming around and leaving their calling card on my front lawn and footpath. I have complained to Council on several occasions, but it has not helped.

I understand that dogs should be on a leash, and that you carry a doggy bag and pick up after them. So many people are not responsible dog owners! I am also amazed at the number of dogs on the oval when children are present. I believe that the school has use of the oval during school hours and I am concerned that one of them will get bitten and hurt.

The amount of dog faeces left on the oval is disgusting! Lobby our Council, footy club, to keep them off during school hours. The number of cars that pull up on Thomas Crescent and let their dogs run wild and then leave their mess behind is just not on.

What happened to the slogan, KEEP SA BEAUTIFUL?
