## Fire Danger Season is Here

Yep, you wouldn't guess it from the weather, but Fire Danger Season began in our Mid North region on November 15th and will run until the 30th of April. Among other restrictions, you now need to apply for a permit from Wakefield Council if you want to burn off rubbish on your property.

For more detailed information, check out [cfs.sa.gov.au/warnings-restrictions/restrictions/what-can-i-do-what-cant-i-do/](http://cfs.sa.gov.au/warnings-restrictions/restrictions/what-can-i-do-what-cant-i-do/)

### Thought for the day

*Great opportunities to help others seldom come, but small ones surround us daily.*

## **NEWS FROM PORT WAKEFIELD UNITING CHURCH**

### **GREAT OUTBACK BYO PICNIC**

For several years, Port Wakefield Uniting Church has held a Great Outback BBQ to raise awareness of and funds for Frontier Services. This year the BBQ also became a Wakefield Parish event with a large contingent from the Balaklava congregation joining us at the Port Wakefield Sports Complex on Sunday, 16<sup>th</sup> October. Janet Woodward, Fellowships Secretary of the Uniting Church in South Australia Synod led the service and introduced our Guest Speaker Rev. Sunny Kadaparambil, a Bush Chaplain based at Port Pirie who, with his wife, spends much of his time travelling many outback roads/tracks as they visit far flung townships and stations with their trusty caravan in tow. He spoke about the connections they make and the invaluable help of work parties who provide practical building assistance to make a positive difference to the lives of others.

The weather on the day was glorious and everyone enjoyed a wonderful time learning about the work of Frontier Services and fellowship with others over a BBQ lunch and games on the oval. Over \$5,400 was raised from donations (including \$1,000 from the Parish), and the sale of Christmas cards and giftware. Thank you to everyone who helped to make this day such a great success!

Ross & Janet Woodward, Adelaide; Pastor Errol Meaney, Balaklava; Rev. Sunny Kadaparambil, Port Pirie; Lloyd Mudge, Port Wakefield; Beryl & Steve Venner, Adelaide; and Graham Correll, Kulpara.

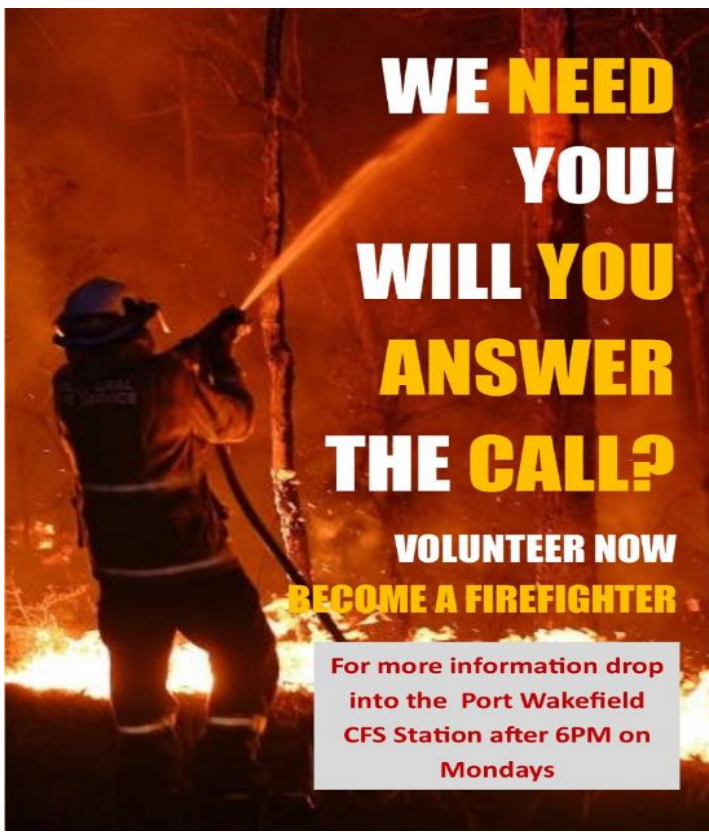

Brian Schulz, Kadina; Gay Lee, Kulpara; Danielle Mudge, Diane Mudge & Michelle Butson, all Port Wakefield.

### **OP SHOP**

Port Wakefield Op Shop, next to the Uniting Church in Mine Street, is open every Saturday morning from 9.30am until 11.30am.

Have you ever thought about Volunteering but wondered what you could contribute? At Lifeline Connect Clare, our volunteers come from various backgrounds and professions and therefore, offer a range of skills. Whatever skills you have, whether it's answering phones, compiling reports, making tea and coffee (very essential!), or providing support in another way, you are welcome to join our team. Full training is also provided. Our volunteers agree that you get more out of volunteering than you put into it.

On Saturday 5<sup>th</sup> November, Lifeline held its annual Volunteer Awards function. This year, the Awards were held in Wallaroo and was very well attended. Lifeline provided a courtesy bus for volunteers travelling to the Awards as well as a beautiful lunch and refreshments. The Awards are another way of acknowledging the untiring and dedicated support that our volunteers give to their community.

If you are interested in finding out more about Volunteering, please contact Lorna Woodward at Lifeline Connect Clare on: 8842 2827 or via email: [clare.counsellor@lbhc2c.org.au](mailto:clare.counsellor@lbhc2c.org.au)

## LET'S GLOW!

### DIY Face Masks For Acne...

Is there anything more annoying than an unexpected breakout? The good news is that homemade face masks for acne can be an effective and fairly simple way to treat all types of acne, whether it is an occasional stress breakout or a chronic issue. Plus, spot treating acne with a mask for the occasional pimple can reduce inflammation and kill bacteria without wreaking havoc on other areas of the face that may not be affected.

To save money you can make your own at-home masks with readily available ingredients at a fraction of the price.

#### **Honey and Baking Soda Face Mask**

Combine anti-inflammatory baking soda with exfoliating lemon juice and soothing honey for an easy, effective acne-fighting face mask.

Add 1 teaspoon of lemon juice, 1 tablespoon of organic raw honey, and 1 teaspoon of baking soda into a small bowl. Mix well and apply over the face and neck. Avoid the area near your eyes (lemon juice and honey will both sting). Don't turn this into a scrub by rubbing it into your skin. After 15 minutes, remove the mask with warm water, then rinse with cold water.

Due to the photosensitivity of the skin caused by lemon, apply this mask in the evening and always use a good sunscreen when going out the next day.

#### **Avocado and Lemon Spot Treatment Mask**

Mash one ripe avocado until smooth, stir in 1 tablespoon of organic raw honey, and squeeze the juice from half a lemon into the mixture. Mix together thoroughly, and apply the mask as a spot treatment or to larger acne-prone areas. If you have sensitive skin, use less lemon or skip it altogether. Leave the mask on for 5–10 minutes.

#### **Raw Honey Spot Treatment Mask**

One-ingredient treatments are our favourite! Honey has so many uses, and fighting acne is a powerful one. Just dab honey (Manuka is ideal) directly on the blemish to not only fight bacteria but also to calm inflammation and redness. Leave it on for 10–15 minutes, and then rinse with warm water.

### Yesterday's News

*South Australian Weekly Chronicle* November 16, 1866

PORT WAKEFIELD--The weather continues very cold and stormy here, keeping back the hay-making and barley harvest.

On Friday night last a valuable mare, belonging to Mr. Wm. Young, fell into the native well, two miles from this port, on the Government Beserve. Fortunately, the mare was got out again alive, and without much injury; but this could not have been done had it not been for Mr. John Daniel sending his crane on the ground as soon as possible, and soon after it was erected the mare was gently lifted out of the well. To prevent her from drowning, ropes were got around her to keep her above water. It is to be hoped that this accident will prevent a greater one. The well is in a most dangerous state. It is almost in the centre of the road from Adelaide to Kadina, in the middle or bed of the River Wakefield. It would be quite possible for a man to ride or walk into at night in going from Kadina to Adelaide, there being nothing to give notice that a well is there, the windlass and everything being carried away by the stream in the winter. It is to be hoped that something will be done to protect the water, and to save both man and beast from falling in.

Some persons on the same evening broke into Mr. Young's store at Port Wakefield- They managed to take out a pane of glass and get the doors open, and helped themselves to tea, sugar, tobacco, a keg of wine, and various other articles of many pounds value. It is very provoking that as yet the thieves are not found out, but we believe that Police-trooper Jones has done everything in his power to find out who the scoundrels are.
